## B. NOTICES OF CHARGES

FNSW issued a Notices of Charges to the **Respondent** on 22 October 2015.

The charge related to an alleged incident during the Football NSW Under 15s State Titles held at Parkes NSW from Monday 21 September through Friday 25 September 2015.

The Notice to the Respondent specified the following charges:

## **Charge 1**

Alleged breaches of Section 15.3(b) of the Football NSW Grievance and Disciplinary Regulations 2014, Schedule 3 and/or alleged breaches of Clauses 2.1 and 2.2(b), (c) and/or (f) of the FFA Code of Conduct.

15.3 Misconduct

*Misconduct shall mean any act or omission by a Member which:*

*(b) constitutes a breach of the FFA Rules and Regulations;*

Alleged breaches of Clauses 2.1, 2.2(b), (c) and/or (f) of the FFA Code of Conduct (effective from 1 January 2007).

*2.1 A Member must not bring FFA or the game of football into Disrepute.*

*Without limiting the generality of clause 2.1, a Member will be taken as having brought football into Disrepute if any of the following occurs:*

*2.2(b) harassment, including sexual harassment or any unwelcome sexual conduct which makes a person feel offended, humiliated and/or intimidated where that reaction is reasonable in the circumstances;*

*2.2(c) offensive behaviour, including offensive, obscene, provocative or insulting gestures, language or chanting;*

*2.2(f) intimidation of Match Officials, which may take the form of (but is not restricted to) derogatory or abusive words or gestures toward a Match Official or the use of violence or threats to pressure a Match Official to take or omit to take certain action regardless of where such action is taken;*

The relevant conduct alleged exhibited by **Mr C** allegedly engaged in conduct that:

- *was offensive, abusive, harassing and threatening;*
- *constituted a breach of the FFA Rules and Regulations;*
- *was unsportsmanlike or unprofessional; and*
- *brought or may have brought football and/or Football NSW into disrepute and/or damaged the reputation and goodwill of the game.*

### **Relevant Conduct**

The relevant conduct alleged exhibited by **Mr C** was as follows:

On the night of Thursday, 24 September 2015, during the FNSW U15 State Titles held at Parkes, a number of Players from the Met East U15 Team (Team) wrote/drew offensive, intimidating and/or abusive material on a pizza box and garlic bread wrapper. The material was directed at a number of Referees, those Referees having officiated the Team's match earlier in the day. The Players then delivered the box and wrapper to the front doors of motel rooms belonging to the Referees and knocked on the door before running away.

The Respondent, **Mr C**, was present while some of his teammates wrote/drew on the box and wrapper. The Respondent then delivered them to the front doors of motel rooms belonging to the Referees.

## **C. THE HEARING**

The Tribunal convened at Football NSW offices at 6.30pm on 28 October 2015 and invited the Respondent and all witnesses and other persons to attend initial briefings on the conduct of the proceedings.

The Respondent produced a Notice of Response and entered the following plea:

*"I am pleading Guilty to the Charge and I accept the report(s) attached to the Notice of Charge."*

#### D. BACKGROUND, SUBMISSIONS & EVIDENCE

The Respondent was charged with a very serious offence and was highly embarrassed by the incident and pled guilty to the charge.

In his Notice of response, Mr C attempted to excuse his behaviour on the basis that the Charge was at least in part incorrect. He claimed:

*"In relation to the charge against me, I would like to point out that the wording of the charge incorrectly implies that I was present the whole time while some team mates wrote on the box and wrappers and that I was therefore aware of what was written."*

He further claimed:

- . *- I was playing soccer handball outside with a few team mates and I (the Assistant coach) on that night. During this time I was totally unaware of what was occurring in the room;*
- . *- I only witnessed the actual writing for the first time, when I entered the room with the others to see what the laughter and noise was about. I was not in the room prior to this when the writing had commenced;*
- . *- I did express, like some of the others, a desire to turn back before we crossed the road, but foolishly continued with the group. I should have been stronger;*
- . *- I truly did not know the content of what was written on the box until I placed it at the doorstep and saw then what was written and drawn;*
- . *- I voluntarily approached the referee concerned on my own after the final game on Friday (which he refereed) and apologised to him. I knew it was the right thing to do;*  
*- I am 14 years old and admit to a serious error of judgment on that night. I know what I did was totally wrong. My involvement in any way was the wrong thing to do. I have learnt a life-long lesson about choosing right from wrong and also not allowing myself to fall to peer pressure;*

Mr C confirmed that he did walk across the road and was part of the group who delivered the pizza box and other offensive material outside the referee's room.

Mr C noted that the coach, Mr H, was in the room however he did not see him laughing at the pictures and words written on the pizza box. He confirmed that Mr H advised them not to deliver the pizza box and other material to the referees and said to the boys *"I strongly recommend that you boys don't go over, but I can't stop you."*

Mr C stressed that he did not know what was written on the pizza box or wrappers.

#### E. CONSIDERATION & DETERMINATIONS

The Tribunal accepted that all the Respondents admitted their involvement in this incident quickly and at the earliest opportunity. The actions of the parents in ensuring that the Respondents took responsibility during the State Titles was clearly recognition of the serious nature of the matter and was to be commended in the circumstances.

The Tribunal also accepted that Mr C was genuinely apologetic and understood the gravity of his actions.

However, the Respondent and his teammates were selected in an elite team to represent their district at the NSW State Titles. Representation in an elite team is a privilege and not a right and with that privilege comes responsibility to behave in a professional manner and be a role model to others.

Mr C failed to exhibit behaviour that was appropriate and professional and as a result he was found guilty of the charge. The Tribunal stressed that absence of knowledge or failure to inquire what was on the pizza boxes or the wrappers, if indeed that evidence was to be accepted, was not acceptable. The fact that the Respondent participated in the act of delivery clearly required him to ensure that he was fully aware of the act he was performing. One cannot excuse oneself merely on the basis of self-induced ignorance.

The Tribunal recognized that this behaviour was a silly childish prank and given the immediate apologies and recognition of his error, the Tribunal imposed a low level sanction.

## F. FINDINGS

The Tribunal found that Mr C was GUILTY of the Charge.

## G. SANCTIONS

The Tribunal imposed the following sanctions on **all Respondents**:

1. The Respondents are to enrol and successfully complete a Referee's Course with their local Referee Branch and thereafter complete not less than four (4) Match Official Centres in a local competition during the 2016 season.
2. The fees related to these appointments are to be donated back to the relevant Referees' Branch.
3. The Respondents must provide a letter from their local referees' Branch to FNSW to substantiate that this requirement has been completed.
4. Each Respondent will provide a letter to FNSW apologising for their actions and specifically apologising to the relevant Referees to whom the "pizza box" was delivered.
5. FNSW runs a football day called Football4All. This is an opportunity for people with a disability or special needs to enjoy a day of football with family and friends enjoying the 'world game'. The 2016 event is likely to take place in June. Each Respondent will attend the FNSW 2016 Football4All at Valentine Park and assist with the management of games for the special children.

Whilst the GPT cannot require it, we request that all players in the Metro East U15 team also attend with the Respondents as a gesture of good will. FNSW will write to each of the Respondents in 2016 to advise them of the date of the event.

For more information on Football4All see:

6. Failure to complete any of the above will constitute Contempt of the GPT and may lead to additional sanctions.

The Tribunal made no order relating to the costs of the Tribunal processes.

Aggrieved parties to a determination of the FNSW General Purposes Tribunal may lodge an appeal to the FNSW Appeals Tribunal in accordance with articles 8.6 and 9.2 of the FNSW Grievance and Disciplinary Regulations. Any appeal must be submitted on the Notice of Appeal form (Prescribed Form 13) to [tribunal@footballnsw.com.au](mailto:tribunal@footballnsw.com.au) with the relevant Application Fee (\$750) within seven (7) working days of the Final Determination of the GPT being sent to the Club.
