football4all Gala Day

VALENTINE SPORTS PARK
It brings me great pleasure to welcome you to Football4all for 2015 here at the home of football Valentine Sports Park.

Football4all has been part of Football NSW for the past seven years with the event growing each year.

It brings together an opportunity for people with a disability or special needs to enjoy a wonderful day of football with family and friends enjoying the ‘world game’.

This year it is great to see many teams involved from all over Sydney.

A huge thank you to all of the volunteers, organisations, associations and teams involved in today’s wonderful event.

Finally a warm thank you to our majority sponsor of this event, Nova Employment, who are supporting this event for the fourth year of this magnificent event.

Football NSW is proud to be associated with such an innovative event and praises all parties involved for their generous and willing contribution.

We cannot wait to host the event in 2015 at our newly redeveloped ‘Home of Football’ at Valentine Sports Park.

Good luck to all participants and we hope you enjoy this incredible day of football.

Eddie Moore
Chief Executive Officer
Football NSW

The football4all Gala Day returns home to Valentine Sports Park

A Football NSW initiative introduced in 2008, the Football4all Gala Day aims to give people with a disability or special needs an avenue to enjoy a wonderful day of football with family and friends.

Today's event will be a showpiece for all participants to enjoy with a number of guest representatives set to join in what will be a memorable day.

Kick OZ has gladly provided a blow up football pitch for use at the gala day

The WSW will be in attendance to test out the participant's sharp shooting with their penalty shootout activation.

The Police Youth command will have a presence on the day

The local Kellyville fire department will also be dropping by for a visit

Football NSW CEO Eddie Moore is proud of the ongoing development of the Football4all initiative and has been eagerly anticipating a successful Football4all Gala Day.

“Football NSW is delighted to have developed such an initiative and we are committed to the ongoing growth and development of our established and new special needs football programs. Year upon year, Football4all continues to grow in numbers which typifies the important role it plays in our wonderful game in a fun filled environment.”

NOVA Employment has thrown its support behind the Gala Day for the fourth successive year by assisting with recruiting volunteers on the day. NOVA Employment operate a number of programs which include the Disability Employment Service (DES), a registered training organisation (NOVA Training) and ‘Transition to Work’ - a New South Wales Government initiative.

Powerchair Football will make its third appearance at this year’s event. It is one of the fastest growing sports for powered wheelchair users around the globe. It will be on display with numerous teams set to compete as well as opportunities given to new players wishing to be a part of this amazing spectacle.

Small-sided games have been organised for the participants along with football drills and games provided throughout the day in what will be a great day to be enjoyed by all.
